## Empowering Skills, Driving Growth

Empodera Training Academy is a forward-thinking skills development and training provider specializing in accredited learnerships, customised corporate solutions, and workforce development. We partner with leading South African organisations to deliver training that drives transformation, enhances workforce readiness, and ensures a measurable ROI.

### Accreditations and Alignment

## Course Overview

The Occupational Certificate: Supply Chain Practitioner equips learners with technical and operational skills required to coordinate and optimise activities across the end-to-end supply chain. This qualification prepares learners to manage procurement processes, logistics coordination, inventory systems, warehousing operations, and supplier relationships. It aligns with global supply chain management standards and integrates real workplace experience to enhance employability in logistics-intensive environments.

## Learning Outcomes

### Learners will be able to:

- Coordinate supply chain and logistics operations
- Manage procurement cycles and supplier relationships
- Optimise inventory and warehouse operations
- Analyse supply chain data for planning and decision-making
- Apply regulatory, compliance, and safety requirements
- Use ERP and digital systems to improve efficiency

### A Qualified Learner Will Be Able To:

- Implement procurement strategies
- Manage stock levels and warehouse flow
- Coordinate transportation and distribution
- Ensure supply chain legal and safety compliance
- Support continuous improvement across the value chain

## Entry Requirements

### Republic of South Africa

- NQF Level 4
- Recognition of Prior Learning (RPL)

### International Comparability

- UK: Diploma in Supply Chain Operations
- Australia: Diploma of Logistics
- New Zealand: Level 5 Supply Chain Management Certificate
- Occupational Certificate: Supply Chain Practitioner (NQF 5)

**Duration**  
12 Months
